MESSAGE FROM THE PRESIDENT

February certainly has been and continues to be a very busy month for the HHLT! It began with our (delayed) read-through on February 11 of our June play, "Larceny and Old Lace," will continue with our meeting and birthday celebration on February 25 (accompanied by some examples of the talent of our members); and could end with the announcement of auditions for the play. Sounds like a great way to get the new year off to a promising start.

February was also a time for us to celebrate the ongoing recovery from surgery of two members, Board Member Joyce Mancini and the director of "Larceny...", John Gatt. Continued progress toward good health to you both!

Regarding the next play, take a look at the web-site www.pioneerdrama.com, where you can find a summary of the play, a list of the characters (16 in all) and the number of lines they utter, a diagram of the suggested staging, a list of props, etc. etc. As all of you consider the role(s) for which you will be auditioning, this information, in addition to the read-through, will help you find your "acting destiny." And I do hope and trust all of you will try out! By the way, John Gatt has copies of the script which he would be pleased to provide to those who plan on auditioning.

Finally, let me reiterate two messages from my first letter: please pay your dues promptly and please continue to bring in new members. I was pleased to see (at least) two new faces at the last meeting, and look forward to seeing more at every meeting from now on.

Best wishes,
Gene Schmiel, President
