"When your passion and purpose are greater than your fears and excuses, you will find a way." Anonymous

I enjoy talking to people about their passions whatever that may be. I not only learn more about their passion but I find out more about them. I now know more about train sets with their various sizes and layouts and how each set up can be very differently. I also know more about the different types of quilt patterns and fabrics to make a work of art along with the advantages of pollinator gardens and what our regional native plants are.

My forever passion, however, is theater. I am fascinated by how all of the parts of a production come together for opening night. When I first became a Producer, for the ART Factory, many years ago, I had no clue on how to do that and I was afraid and not worthy of even taking on that important role. I had excellent guidance throughout and I did my best. I found my passion and purpose by bringing the actors and crew together for a stellar production. I was hit by the theater bug!

Our next production, "A Bench in the Sun" (Oct. 10, 11, and 12) will need your help in all areas. Please audition (July 12, 13, and 14) or sign up for all the ways to help contribute. Props, set pieces, advertisement, publicity, lights & sound, costumes along with many other opportunities. Conquer your fears and excuses and join us! Everyone is welcome!

## AUDITIONS COMING UP!

HHLT's Fall Play will be *A Bench in the Sun* by Ron Clark. The dates for performances are October 10, 11, and 12 which may seem way off in the future, but in play time, it is just around the corner!

The cast is small, but mighty with roles for two men (Harold and Burt) and Adrienne (the beautiful former actress who arrives on the scene to add interest to their lives). The play, according to Mel Brooks, is *"very wise, very moving, but most of all, very funny."*

Auditions are at the Marsh Mansion: [Wednesday, July 12, 2–4 pm in the MM Ticket Room; Thursday, July 13, 6–8 pm in the MM Library; and Friday, July 14, 2–4 pm in the MM Living Room.](#) Contact Director Valerie Morris if interested and for a script via email at [Taftmorris@aol.net](mailto:Taftmorris@aol.net).

## July Meeting

Our July meeting will be held **Thursday, July 27, in the Mountain View Room at 7 pm.**

Come to hear the latest news of our activities, the annual picnic, and the Fall production. Lots of great stuff going on!

After the meeting we will be enjoying an evening of Drama After Dark, a Readers' Theater activity of two short plays. There are 6 roles in these two plays: 2 women and 4 men. We need readers for these plays which are both interesting and entertaining.

Please let Sally Peterson know if you would like to participate in the Readers' Theater ([scp211@aol.com](mailto:scp211@aol.com))

### Farewell to John Bisaga

John and Terry Bisaga have lived in Heritage Hunt for 20 years, and John has been working on HHLT plays for nearly all that time. He has been at the back of the Ballroom for over 25 plays working sound and light for our many productions. As the plays became more complicated, John figured out more and more ways to use the ever more

sophisticated equipment that added so much to our productions. John lived in Reston before retiring from the Federal Aviation Administration. They are moving to Ashby Ponds. HHLT will miss you, John, and wish you and Terry all the best.

The Little Theater's Annual Picnic will be held on **Tuesday, September 12, from 5 to 9 in the Marsh Mansion Parlor.** Mark it on your calendar. More information will follow next month.

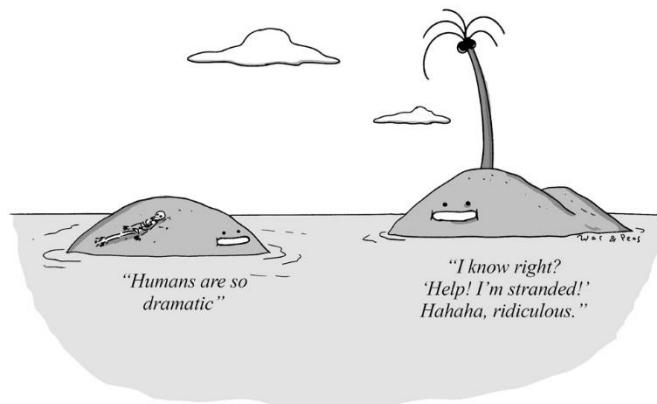

As usual we will have great food, fellowship, games, and more.

**What's more?**

A **talent show** from our very talented members! Songs, comedy, monologues, dance, whatever you would like to perform within 5 minutes.

Please let Sally Peterson know if you'd like to participate ([scp211@aol.com](mailto:scp211@aol.com))

## Heritage Hunt Holiday

### Variety Show

It doesn't seem possible, but once again planning for Heritage Hunt's Annual Holiday Variety Show has begun. Dave Anderson will be the Producer, and HHLT will be participating in it. The show is held in early December with a couple of rehearsals after Thanksgiving. Each club or individual has approximately 15 minutes for their contribution.

Individuals can participate with monologue, poetry, comedy routine, song, instrumentals, and other acts. Groups can perform skits, dance routines, musical numbers etc. It's time to give some thought to ideas for Little Theater's part and/or for your own contribution. This is a great way to be a part of the Heritage Hunt community!

Contact Sally Peterson  
[\(scp211@aol.com\)](mailto:(scp211@aol.com)) with ideas.

### **HHLT Presents Gift to LSTV**

Over the last 20 years LSTV has contributed immeasurably to the quality and success of Little Theater productions. It goes without saying that our twice yearly plays, whether drama or comedy, have been enhanced in so many ways by the hard work, endless hours, expertise and craft of the LSTV volunteers. We thank you from the bottom of our hearts. In gratitude HHLT has presented a check for \$2000 to LSTV. The money will be used for the purchase of additional hearing-assist units and for a new and improved console at the back of the Ballroom.

The photo above shows the presentation of the check to LSTV with Board members of HHLT.
