In Memoriam: Mary Gorodnick

Mary was a very active behind-the-scenes member of the Heritage Hunt Little Theater. Among other activities, you could always see her smiling face at the greeters' table, as she welcomed attendees to each of our shows. She will be missed.

Director's Note

The saying that "nostalgia isn't what it used to be," while ironic, doesn't apply to our production of ***Radio Daze***. Through many months of hard work, our stellar cast and crew and the marvelous LSTV folks have created a play which re-creates how mid-20th century radio programs were performed: in costume, with sound effects and music, and before a live audience. You will enjoy both the catharsis of imagining yourself as part of a studio audience in New York in the 1940s, and the nostalgia of listening to radio programs, live, as you did in your youth. My thanks to everyone involved (and there are many) in creating this experience, and we hope you will enjoy the play.
